

ARDEX P 9

Single Part Primer

ARDEX P 9 Single Part Primer is a water-based primer used for improving the adhesion of ARDEX products to smooth, dense and various non porous substrates. It is easy to apply with a brush or roller with applications of subsequent products able to take place with minimal downtime. ARDEX P 9 Single Part Primer is suitable for internal and external wall or floor applications.

LOW VOC 

SUBSTRATES

- Particleboard, plywood, sheet timber
- Medium density fibre-cement sheet, compressed fibre-cement sheet
- Jointing compound over plasterboard, concrete, renders, screeds, masonry and lightweight concrete blocks
